

REMARKS/ARGUMENTS

Allowable Subject Matter

The Applicant notes the Examining Attorney has indicated that claims 14 and 15 are allowed. Applicant appreciates the same.

The applicant further notes that the Examining Attorney has indicated that claims 4 and 7 would be allowable if rewritten to include the limitations in the claims upon which they depend. Claim 4, which depended on claim 1, has been combined with claim 1 in compliance with the examiner's request, and is therefore in a position for allowance. Further, claim 7, which was dependent on claim 4, has been amended to instead depend on claim 1, and is therefore in compliance with the examiner's objection, and is in allowable form..

Conclusion

Applicant therefore submits Claims 1, 7 and 14-15 are in a position to proceed to allowance.
